I wish to apply for a plot at Whipton Lane Allotments. I understand that my application will be considered along with others on the list by date of application.

Allocations are made as soon as plots become available and subject to a site meeting on a date and time to be agreed by both parties.

Whipton Lane Allotments are self managed under licence from Exeter City Council and all applicants should be from within the boundaries of the City of Exeter.

In the event that a plot is offered and declined, Whipton Lane Allotment Association will retain your application for one further occasion, however, your application will move further down a waiting list.

In addition to our plot fees (see website for current fees) a key deposit of £10 is required plus an administrative fee of £10 (this can be cancelled if the final agreement is made by email)
